

Membership Memo

Congratulations on joining the local associations' Multiple Listing Service (MLS)/Broker Listing Cooperative (BLC) only access.

Why not become a member of Indiana Association of REALTORS®?

Did you know joining Indiana Association of REALTORS® will provide you with access to our statewide transactional forms?

Here is why those forms and your membership matters:

1. Forms are standardized, meaning all members use them, and this helps streamline the process.
2. Forms are updated annually under the supervision of IAR attorneys, and a member committee charged with making the forms consistent with state and case law, and real practitioner needs.
3. Forms are a great value compared to the cost of consulting an attorney multiple times during each transaction.

Wait! There's more...

As a member of IAR, you have access to additional services and benefits due to the size and strength of our membership community.

The following are current member benefits offered by IAR

- zipForm® Mobile & Digital Ink®
- Statehouse Representation
- RPAC and REALTORS® Defense Fund
- Legal Publications
- Legal Hotline
- Indiana Real Estate Market Reports
- Professional Standards Administration
- Indiana REALTORS® Leadership Academy
- RECP (Real Estate Certification Program) – 12 hours of Member Benefit CE
- Legislative & Leadership Conferences
- Representation at the Indiana Real Estate Commission meetings

2024 annual dues of \$279 are prorated based on the month of joining and would not be collected until after the application is approved.

There is a \$200 application fee for each individual applicant, collected after the application is approved. It need not be paid again if the new member maintains their membership year to year.
